

This year we are trialling a new process to get accuracy in the database – which will benefit everyone.

### 1. Unfinancial Players

An earlier email has been sent to Treasurers to register any unfinancial players. The Treasurer is to instruct whether the name goes on the website, or you have your own arrangements with the player. Hockey Northland would need to know if the player is not able to be transferred by the 31<sup>st</sup> March 2021.

### 2. Transfers :

There are three sorts of transfers 'Club to Club' and 'Association to Association' and a 'No Objection Certificate' – complete the google spreadsheet (below

- for Club to Club Transfers
- Assoc to Assoc transfers
- NOC – no objection certificate (overseas transfers)
  - Your overseas club would need to apply for a (NOC) from their national organisation e.g. for us it would be Hockey England, Hockey Australia etc. That forms needs to be emailed to Hockey Northland to [admin@nrthlandhockey.org.nz](mailto:admin@nrthlandhockey.org.nz).

3. Access the google spreadsheet to list all players requiring transfers from outside of Whangarei. Very important that you enter the correct email for players. This caused quite a few issues with duplications and triplications in the database which got a bit messy and time consuming to try and edit.

4.

**[Click Here : to register “2021 New Players &/or all Transfers”](#)**

**A separate email to follow for registration of teams**
